Trailer accessories

The Trailer Guardian™ from **DuraSafe** is a unique safety device that helps prevent accidental trailer decoupling. According to the company, it installs easily in seconds and fits all ball/coupler combinations. Trailer Guardian also locks and secures a trailer on the tow vehicle stinger or on a parked trailer. It's available in single-arm models (for compact and mid-size cars, trucks and SUVs towing light- to medium-duty trailers) and dual-arm models (for full size trucks and SUVs towing medium- to heavy-duty trailers).
