TRAILER GUARD ▲

Overall Rating: 8.7

The Trailer Guardian (\$51) locks a trailer to a tow vehicle to help prevent accidental decoupling. It installs in seconds with a universal application (featuring 1/8-in. height adjustments) that fits all ball-and-coupler combinations. The Trailer Guardian also accepts a lock in one of the spring-pin holes to further secure the trailer to the vehicle. DuraSafe Inc., 866-544-5615, www.durasafelocks.com

JIM LEDBETTER, WEST FRANKFORT, IL: "The Trailer Guardian provides peace of mind. Once it's installed, there is no way your trailer is getting loose from the ball."

JEFF GOODEY, WHITEFISH, MT: "With the Trailer Guardian, you don't have to worry about theft or your trailer coming off the ball. I recommend it to other members."
